FIRST VOLUNTEERS

VOLUNTEER WITH PURPOSE

THERE'S A ROLE FOR YOU

ABOUT *FIRST*®

FIRST® is the world's leading youth robotics community, delivering youth robotics competitions that inspire innovation, build confidence, and prepare young people for life.

FIRST VOLUNTEERS MAKE AN IMPACT

FIRST volunteers are part of a global robotics community preparing young people for the future. *FIRST* competitions and events are made possible by volunteers, including employees of corporate sponsors, teachers, parents, community leaders, and others. From a few hours to events all year long, every role helps students grow, learn, and thrive.

We provide training so that all *FIRST* volunteers feel confident in their roles – from judging to field resets to leading and inspiring teams.

Around the Field

These roles put volunteers right next to the playing area, where they support the excitement up close and help keep matches running smoothly for all. Includes roles like Referee, Scorekeeper, and Field Resetter.

Event Delivery

These roles put volunteers at the heart of the event, working behind the scenes and on the ground to bring the show to life. Includes roles like Emcee, Load In / Load Out Crew, and Event Photographer.

Volunteer as a Group

We offer opportunities to volunteer as a group at local events and matching gift programs with many companies, allowing employees to double their impact either through time or money.

FIRST Championship

Be part of something extraordinary when you volunteer at *FIRST* Championship. Regardless of skill level, or time commitment, we have a volunteer position available for you!

Meet the Teams

These roles give volunteers the chance to connect with teams and be part of their journey at the event. Includes roles like Judge, Team Registration, and Robot Inspector.

Administrative

These roles help the event come together and focus on event logistics planning and execution. These roles often require pre-event preparation and coordination. Includes roles like Volunteer Check-In, Judge Advisor Assistant, and Volunteer Coordinator.
